# FESTIVAL INFORMATION

JULY  
12 & 13 9:30 am – 6:00pm

## WHAT IS TOTC?

The [Top of the City Soccer Festival](#) is more than just a tournament – it's a fundraiser dedicated to making soccer accessible and inclusive for every child across Canada. Our festivals directly fund sponsorships for underprivileged families, ensuring every child gets to play.

We're thrilled to have Little Kickers as our Title Sponsor, who will be showcasing their classes and hosting the tournament. Come watch the next generation of soccer stars in action! Spectating is free; players must be registered with Little Kickers to participate in the soccer tournament.

## CLASSES:

Your Little Kickers weekend classes will be moved to the festival (don't worry, your regular classes will return to normal after the festival!). An email with class information will be sent to you in regards to the change.

## AFTER CLASS:

Stay and enjoy the family friendly festival! We will have a ticketed KidZone with all proceeds going towards sponsoring soccer classes for low income families. Tickets allow full access to our Petting Zoo, Bounce Castles, Costumed Characters, and more! For more information, check out our website: [topofcity.online](http://topofcity.online)
